

# “10 for 2”

## **10 benefits for just 2 commitments!**

To qualify for the 10 benefits in the Child Shield, USA “10 for 2” program you must complete these two steps:

1. Be a current member of the “Inner Circle” program.
2. Protect your own children with the Child Shield, USA comprehensive child safety program. (If you do not have minor children you can protect your grandchildren, niece, nephew or even sponsor a family.)

Why? We do not have any successful Affiliates that are not Inner Circle members and have found that it's hard to have credibility promoting a program that you do not participate in.

## **Those that complete the two steps will receive these ten great benefits:**

1. You will receive one new Company sponsored Affiliate in your organization every month.
2. It will not cost you anything for the advertising to generate the leads.
3. It will not cost you anything for the information packet sent.
4. The time and cost for all the follow-up calls it takes to get that Affiliate are paid by the company.
5. You will receive ongoing residuals on the customers they bring in.

The company will also follow up on any potential Affiliates you find. Supply us with the name, address and phone as well as how you found them and we will:

6. Call and do the initial interview at no cost to you.
7. Send them the information packet at no cost to you.
8. We make all the follow-up calls at no cost to you.
9. When they sign up you will receive the complete training bonus when they make their first sale, just as if you did all the work.
10. You will receive an ongoing residual on the customers they bring in.

If you already qualify for these 10 benefits contact us by fax or email so we can put you in the 10 for 2 program.
